

## Free Dragon Theme

2005-04-18 00:13:50 by jaded

Hi everyone,

We want to announce the FREE public release of our new theme.

This is a Dragon inspired theme. It is shades of blues, whites, and and browns.

This theme is complete with beautiful images of Dragons. This is the first in a series we are doing on Dragons.

You may preview this in our gallery. The theme has a blank header image to include your site name. It is

created in a universal pallet to go with many sites. It is an exciting and fun theme called Dragons. It is compatible

with nuke 6.0 to 7.6. Please be sure to read the read me file included with the theme.

You may download it in our designer resources section. Our themes are best viewed in a higher resolution.

We hope that you will all enjoy the use of this theme on your sites. Registration is required to download.
