

## MetOpen Super Topics 2.0- Keep your readers informed and search engines happy

2005-11-16 10:25:59 by heshys

Consolidate your links, forum entries and articles about one topic on one page. This will help your readers find information faster and will help the search engines find you.

Demo:

[Jewish Job Central](#) Ranks 5th for jewish jobs on google.

[Jewish Dating Central](#)

[Download our PHPNuke Modules.](#)

**New in this version:**

- \* Can display just one of or multiple of weblinks, articles and forums
- \* can choose specific stories or forum postings to add to page
- \* 4 sponsor (ad) hotspots
- \* Compatible with PHPNuke v7.9
