

XsShoutV1.2

2006-05-01 14:09:16 by Xiode

I would like to let everyone know that XsShoutV1.2 has been released. With the release you will find 3 skins to choose from. You can find a preview for all 3 in the forums. We are also starting development on more skins for it. So soon enough you will have quite a few options for skins. There have been a few updates with the whole package. It still supports the following features.

- Clickable links!
- Configurable swear word censoring.
- Auto post count message purging.
- Definable anonymous posting option.
- Shoutbox security.
- Enhanced administration system.
- + Better skinning functions
- + 3 Skins that will blend with any BG!!!
