

November Challenge!

2006-11-28 11:36:19 by montego

Come on folks, \$47.24 in donations is absolutely crazy for the amount of help you can get on this site! It takes money to run a site like this and the last I checked, there still are no money trees been invented LOL.

I cannot stand by and watch this happen. I personally will match ALL donations from now until November 29th (end of your day) up to a total of \$50 (total new donations - I have not found that money tree either - lol).

Come on! Anyone can donate a few dollars.
