Forums Moderators Needed

2004-11-20 10:20:44 by elrayjones

Discount Outpost Traders is looking for anyone from RavenScripts that would like to be a Forums Moderator. I have the WebMasters Workshops setup and will be adding other topics. I'm working on SEO, and will soon be summiting to all major search engines and banner exchanges. Moderators must be 18 or over. Moderators can have a say in the design of the forums, and open there own topics if they wish. However, the WebMaster Workshops require that you have your own site up and running. Benefits include that good felling you get knowing that you help others, plus free ads.

goto http://www.godotshop.com/modules.php?name=Forums&file=viewtopic&t=3 and post feedback.

Thank You
EJ
