MetAuthors 1.0 - The Story Stats Addon for PHPNuke, NukeCommerce & osc2nuke

2005-03-31 13:11:55 by nukeevangelist

[MetOpen- open source news, reviews and addons](#) has released a new PHPNuke addon: [MetAuthors.](#) This allows you to quickly see all your readership stats so you can determine which types of content and which authors work best on your site.

[MetAuthors projectpage](#) :: [MetAuthors Demo-Page](#)

Features: When an author logs in they will see their listings highlighted. Admins can easily reassign an article to the proper author. (This is useful when the nuke admin posts a story that is received by another.)

Various Article & author stats
Most read stories of the last 30 days
Top Stories in the last 30 days
