

ibdeeming.com provides great modules

2005-04-02 09:32:47 by nukeevangelist

ibdeeming.com provides great modules for PHPNuke: many of them are **dual use-modules** running in PHPNuke as well as in the two e-commerce-compagnons: osc2nuke & NukeCommerce: since the modules are in permanent development we want you to support your [Feedback via Contact-Mailer](#) - help to make the module better and better.

good news on [ibdeeming.com](#): Weatherharvest xxx a great module for PHPNuke

see a very interesting demotour: [Demo 1](#) :: [demo 2](#) :: [demo 3](#) :: [demo 4](#) :: [demo 5](#) ::

travel over to the [the developers on ibdeeming.com](#):

more on [ibdeeming.com - the PHPNuke ressource](#): please leave a [Feedback via Contact-Mailer](#) - help to make the module better and better.
