

OriOn PHPNuke Theme Released by Dezina

2005-08-23 12:34:45 by dezina

Dezina Upgraded, by request.....

Now Suitable for PHPNuke 7/7*up

Black/Red Colours

100% width theme

Tested in MIE, Opera, Mozilla.

Updated for PHP-Nuke 7.0/7.* by Dezina.com

Reconfigured to English Language i.e. menu bar, date, search box in header and topic search box in header.

Added extra module options to header bar

Reconfigured/added options for style sheet re PHPNuke 7*

Added right hand scroll bar colours etc.

Reconfigured php for topic header box for PHPNuke 7*

Reconfigured php for search header box for PHPNuke 7*

Reconfigured theme.php for changes to news module i.e. topics, topic images, read more, posted by etc.

Altered/fixed incorrect width of menu header bar which caused horizontal browser bar to appear, requiring scroll right.

Added Forum templates for PHPNukephpbb..
