

## Earning more revenue from your nuke website

2005-09-10 08:51:25 by Guardian2003

With the amount of nuke sites I am seeing with Google Adsense, affiliate banners etc it is clear there is a demand for php-Nuke webmasters to earn income from their sites to supplement their running costs. Now you can now add paid for text ads to your site footer easily and efficiently with [Linkworth](#) I have used their FREE services myself, so I know it works!
