

mp3-streamer-module: get your copy today & support the development

2006-08-17 20:33:01 by NukeEvangelist

www.pancacke.org offers the great zina module - an mp3 player module for PHPNuke. Please travel over to www.pancacke.org or to www.Jinzora.com and get one of the great modules!

- either [zina-module](#) from www.pancacke.org
- or [jinzora-module](#) from www.jinzora.org / com

Almost every module is under permanent development. We need your ideas, your input, your suggestions and feedback - please provide the development with all that.
