

Code Authors Comments Module Released

2006-11-15 04:09:04 by Guardian2003

Code Authors Releases its '**Comments Module**

Features:

1 If the module is set to Anonymous or Registered Users, they can see at a glance the last 50 News and Reviews comments

2 As above - Probably makes indexing by search engines that much easier as all your comments can be found in one place

3 Admin can now see the last 50 News and Reviews comments and delete them with one click
Available for free, no warranty expressed or implied - use at your own risk.
