

phpESP Easy survey and poll: running as a PHPNuke-module: See online-demos now

2007-10-08 08:49:37 by nukeevangelist

phpESP Easy survey & poll: running as a PHPNuke-module: See online-demos of the versatile module.

a great and feature rich [Survey-script \[phpESP = easy Survey & Poll\] developed at SourceForge \[click here\]](#) was ported to PHPNuke - see a [demo of the standalone-version](#)

Eric from [nettrade.nl \[click here\]](#) did a port: First see some demos of the module.

- [demo 1](#)
- [demo 2](#)
- [demo 3](#)
