

MultiHeadlines and MyHeadlines: news feed aggregator and scraper for phpnuke!

2008-07-23 00:21:09 by nukeevangelist

We've got great tools for news-syndication. Today we will show two of them: [click all]

- [myheadlines \[developersite\]](#) myHeadlines - with in depth tutorials and How To's

- [aikons.net: Multiheadlines](#) RSS/RDF/ATOM Aggregator

share ideas!
