

KISGB 5.1 To Be Released (Stand Alone)!

2004-12-08 19:12:54 by Raven

Yes, it will be happening shortly! Over a year in development and testing, I am going to release it and then sit back and let the good times roll! There are some references to PHP 4.3. I always try to keep all history so that's why it's there. Later releases should not be affected. Read on for the changes.
