

## Gallery 2 Beta 1 (Dark Fibre) released - a powerful dual-use module

2005-03-05 09:57:01 by nukeevangelist

Gallery 2 Beta 1 (Dark Fibre) released - one of the most intriguing **dual-use module running in PHPNuke and the e-commerce systems** ~~msc2nuke~~ and NukeCommerce.

the developers of the [Gallery-Team @ Menalto.com](#) come up with the [Gallery 2 Beta 1 \(Dark Fibre\) \(demo\)](#)

[the newest version:](#) **what is new in Gallery 2 Beta 1 (Dark Fibre) :**

This is the first installment in the Gallery 2 beta cycle. In the past 4 months we've made considerable improvements to the product. This release is a big milestone for many reasons, not the least of which is that we are now providing a well tested upgrade path from here until the final Gallery release. If you're using Gallery 2 Alpha 4 or more recent, you can upgrade without losing any of your data.
