

::Area51:: New Public Theme by SDDesign

2005-03-27 00:40:27 by SlashDot

"Maroon is the Color" That's what made this theme. You have seen a lot of "high colored themes" but nothing like this one. unlike the usual SDDesign product that are heavy with swf's this one is a low tech theme for the ones that like "Bright colors". Preview Theme Here: [Theme Preview](#) Download the theme from here: [Theme Download](#) We will be releasing Yet another "animation less" public theme anytime this week So keep an eye out! Enjoy the theme!
